

CUSHION-EASE® ERGO™ (Best) - NEW

#557

Cushion-Ease® Ergo™ is a resilient rubber anti-fatigue mat with a bubble-top surface texture and multi-nib backing to enhance the ergonomic support of the mat. Cushion-Ease® Ergo™ has a solid top surface with an anti-slip texture that's easy to sweep clean. Its modular design is compatible with the NoTrax® M.D. Ramp System for on-site custom configurations, and can also be combined with other Cushion-Ease® family products.

Where to use:

Dry environments where added ergonomic comfort and support in a modular configuration may be required; workstations, assembly lines.

Product info:

- A resilient rubber compound and unique support design offers exceptional fatigue relief
- Easy to snap together mats on-site for custom work station platforms
- Optional nitrile rubber borders available for trip-resistant platform
- Overall thickness is 3/4 inch
- Can be mixed and matched with any of the Cushion-Ease® family of modular floor mats

Stock Sizes: 3' x 3'
