

SORB STANCE™ (Specialty)

Sorb Stance™ is the first modular anti-fatigue mat designed specifically for combined use with a sorbent pad in environments where pooling liquids can create a safety hazard. Made from a 100% Nitrile rubber compound, Sorb Stance™ is extremely resistant to chemicals, cutting fluids, oils and greases commonly found where sorbent pads are used. This unique mat offers anti-fatigue relief utilizing a raised footing system design on the underside of the mat that provides cushioning comfort and aeration.

Where to use:

Wet environments where anti-fatigue is needed and where pooling liquids can create a safety hazard. In applications where sorbent pads are currently used.

Product info:

- Made from a 100% Nitrile rubber compound that is extremely resistant to chemicals, cutting fluids, oils, and greases
- Available in both stock sizes and on-site custom configurations to accommodate a variety of workstation layouts
- A raised footing system design on the underside of the mat provides cushioning comfort and aeration
- Molded beveled borders allow for easy access on to and off of the mat, while a recessed top surface acts as a tray that holds the sorbent pad and traps liquids
- The tray top surface has a series of molded pins that grip and hold the sorbent pad in place
- Designed to comfortably accommodate a standard 30" wide sorbent pad. (Inside tray width – 32")
- Overall mat thickness is 3/4"

Stock Sizes: 3' x 5', 3' x 10', 3' x 15'
